*ABOUT*  
**EDDIE WILSON**

Eddie Wilson is a successful entrepreneur, nationally recognized speaker and philanthropist. Eddie earned the nickname "King of Exits" after selling 76 companies in one year for a little over a billion dollars. Over his career, he has exited more than 100 companies, owns over 4,000 real estate doors, and is the creator of the Empire Operating System, a framework for business success.

*IMPACT*  
**OTHERS**

Eddie is also deeply committed to philanthropy through his non-profit organization, Impact Others, which is feeding and educating nearly 5,000 children daily, creating 19 sustainable businesses globally to empower underprivileged communities in over 100 countries, and freeing over 300 individuals from slavery in Pakistan while providing them with meaningful work. Additionally, Impact Others has opened six refugee houses in six countries to support those fleeing war.

In addition to his substantial social media following, Eddie’s live audience is robust and continues to grow through “Aspire Tour” events each month, attracting an average audience of 2,000 to 3,000 people per event. Over the course of a year, these events have drawn a combined total of more than 45,000 attendees. This impressive and consistent growth solidifies Eddie’s position as a dynamic and influential presence both online and in person.

*KING OF EXITS*

A black and white photograph of a man, Eddie Wilson, in a professional studio setting. He is seated, wearing a light-colored button-down shirt under a dark, patterned blazer. He is looking off-camera to his left. The background is dark, with two bright studio lights visible at the top, creating a high-contrast scene. The name 'EDDIE WILSON' is printed in large, white, bold, sans-serif capital letters across the bottom of the image, partially overlapping his hands and the bottom of his blazer.
